Sir:

**REQUEST FOR CORRECTION OF NOTIFICATION OF
ACCEPTANCE OF APPLICATION UNDER 35 U.S.C. §371**

Attached is a copy of the Notification of Acceptance of Application received from the Patent and Trademark Office in the above-identified application which issuance of a corrected Notification of Acceptance is respectfully requested.

The above-identified application was filed via Express Mail on March 29, 2001, as evidenced by the enclosed copy of the date-stamped return postcard. The Notification of Acceptance correctly identifies the date of receipt of the application as March 29, 2001. However, the Notification of Acceptance

identifies the date of receipt of the Preliminary Amendment and Information Disclosure Statement filed with the application as March 30, 2001. Applicants respectfully submit that the date of receipt of the Preliminary Amendment and Information Disclosure Statement should be March 29, 2001, the same date as receipt of the patent application, and respectfully request that these dates be corrected to show a receipt date of March 29, 2001 for the Preliminary Amendment and the Information Disclosure Statement.

Additionally, the above-identified application was filed with an unexecuted Declaration, Power of Attorney and Petition. A copy of the unexecuted Declaration, Power of Attorney and Petition as originally filed is enclosed. Applicants will file an executed Declaration, Power of Attorney and Petition upon receipt of a Notice of Missing Parts from the United States Patent and Trademark Office.

We request correction of the Notification of Acceptance of Application Under 35 U.S.C. §371 to correct the above-noted errors.

Respectfully submitted,

WOOD, HERRON & EVANS, L.L.P.
